

# Control Box<sup>3</sup>

## Ref. SB124T-3

Compact solution to easily control your live events with the LivePremier™ series, Alta 4K series and the Midra™ 4K series

### Manage your multi-screen production with ease

The Control Box<sup>3</sup> is an ergonomic and compact solution designed to operate your LivePremier™ series, your Alta 4K series or your Midra™ 4K series with ease and comfort. Thanks to the 105 physical key buttons, Control Box<sup>3</sup> gives instant access to the screens, sources and memories, and embeds a T-Bar for smooth manual transitions. Its illuminated keys are designed for fault-free operation, allowing users to focus on the action and not the user interface.

#### Key features

- ▶ Select current screen and/or AUX destination(s)
- ▶ Load instantly any kind of memory (master, screen, multiviewer, AUX and layer)
- ▶ Change the source of a layer or a background
- ▶ Change the source of an auxiliary output
- ▶ Manual transition (T-bar), immediate (CUT) or programmed (TAKE)
- ▶ Select current destination (Preview or Program)
- ▶ Freeze/unfreeze live inputs
